

	<p>consultation.</p> <ul style="list-style-type: none"> The plans for new Pavilion progressed and the cost was now likely to be around £2 million and plans were being put in place to raise the money. The possibility of a Community Land Trust to provide affordable housing in the village will be progressed with a public meeting being planned for 13th June to judge the public interest. DH and AT will meet on 9 April to begin planning. 	
5.	Horsham District Community Partnerships Forum	
	<p>DH had received draft minutes for the meeting that had been held on 27 March. From those he said that:</p> <ul style="list-style-type: none"> Clare Mangan was preparing a business case for a tourism website for the District separate from the HDC site. Garry Mortimer-Cook was planning a programme of training for independent retailers. There was mention of both a Voluntary & Community Forum and an Older People's Forum which DH was not aware of. AT said he was a member of the latter forum. 	
6.	Community Action Plan and website	
	<p>DH said that Richard Keatley had withdrawn from village activities for the time being for family reasons. He recommended that the Community Action Plan be shelved until Richard returned. He tabled a draft text that he recommended would be placed on the front page of the website in place of the current outdated material. He asked members to let him know of any changes by next Monday and then Richard would, at some point, put it in place.</p>	DH
7.	Lower Street	
	<ul style="list-style-type: none"> AT said that the recent work outside Hennings had caused concern and he and Pat Arculus were talking to Highways to ensure that any future work is better planned and explained before starting. DH said that via the HDCPF Pulborough had been given a counter to track footfall in Lower Street by counting mobile phones. This had been installed on 12 March and will have a website on which the numbers can be seen. A second counter was on trial to count walkers entering and leaving the Wildbrooks with the aim of showing the increase if we get the WildArt Trail underway. DH said that the HDCPF had circulated a link to an HDC paper on car parking which he would forward to RQ and AT. 	AT DH DH
8.	Local Action Team	
	<p>In the absence of Peter Jones there was discussion of the future of the LAT in relation to the Wardens but no conclusions were reached. There were suggestions of possible people who might replace Peter in this role.</p>	
9.	Duck Race 24th June/Harvest Fair 22nd Sept	
	<p>RA said that plans progressed more or less on schedule</p>	
10.	Velo South Cycle Event 23rd Sept	

	<p>DH drew attention to this event and wondered whether we allow, encourage or organise any activities around it. He had been asked by the RSPB whether they could have a stand in the village for the event.</p> <p>In discussion it was seen that no-one had any information about the event timing or arrangements to close roads other than guesswork. DH guessed that, since Pulborough is about 15 miles from the start, the first cyclists may be passing around 08.00 and the last perhaps have gone by 11.00. The opinion of the meeting was that there would be crowds lining the route.</p> <p>AT undertook to ask the Wardens what they knew from police briefings and then the Parish might approach the organisers.</p> <p>RA suggested that some of the stallholders from the Harvest Fair might be interested in staying overnight and putting banners and bunting around the crest of Church Hill. DH said that the only real places to arrange stands other than the Glebe Field would be by TESCO and Sainsburys.</p>	AT
11.	Meeting with Ben Smith	
	<p>DH reported that he had met Ben Smith, son of the late Guy Smith, in his office above the Corn Store. He is a young man, probably mid-20s, and very pleasant. They own the Corn Store, the River Moon restaurant building, a flat in Swan walk and the derelict shop on the roundabout. The company is a property developer and they have a site underway elsewhere. He is open to approaches from anyone. They are actively trying to sell the derelict shop site. Tel: 01798 874747, www.rotherbuilding.co.uk.</p>	
12.	Youth Centre	
	<p>DH tabled a report that Ben Sheldon had submitted to the Parish Council. Henceforward the latest copy will be tabled at PCP meetings.</p>	
13.	AOB	
	<p><i>Signal Box:</i> RA said there was a meeting the next day at Crawley to discuss signal boxes and then to travel back to Pulborough to see inside the Pulborough box.</p> <p><i>A27 Arundel Consultation:</i> DH said that Highways England had made a statement that said they 'expect' to announce the results of the consultation before the end of May.</p>	DH
14.	Date of Next Meeting	
	The next meeting will be on Tuesday 15 th May at 7.30 pm in the S&S Room	ALL
