DEMENTIA

DEMENTIA SUPPORT – Sage House
Professional support & advice about Dementia – Wayfinding
Dementia brings with it lots of questions, motions and new responsibilities. The Wayfinding service allows everyone entering Sage House to talk to a professional for essential one-to-one support and advice.
The Wayfinder can stay with you from pre-diagnosis (when you notice dementia symptoms) and will be your named contact. They can

- Help you 'find your way' through the health and social care system
- Provide accurate and accessible information
- Support and signpost to the right services at the right time
- Help individuals to live well with dementia
- Provide emotional support for people living with dementia and their families
- Help plan for the future including information when choosing and planning long term care

Social Prescribing	AGE UK West Sussex, Brighton & Hove – Social Prescriber Social prescribing – sometimes referred to as community referral – is a means of enabling GPs, nurses and other health and care professionals to refer people to a range of local, non-clinical services. Recognising that people's health is determined primarily by a range of social, economic and environmental factors, social prescribing seeks to address people's needs in a holistic way. It also aims to support individuals to take greater control of their own health. PRIORITY SERVICES REGISTER

THE PRIORITY SERVICES REGISTER
The Priority Services Register is a free support service to help people in vulnerable situations. Energy suppliers and network operators offer it. Each keeps their own register, although some share with each other. Being on a Priority Services Register will ensure that extra support will be received if the customer experiences an outage. Support is likely to include:

- A priority number that you can call 24 hours a day
- Text and voice message alerts, letting you know when they are aware of a large power cut in your area or should your water supply be interrupted
- Tailored support if needed such as home visits, hot meals, advice and keeping your friends and relatives updated
- Where possible they will send you text and voice messages when severe weather is expected, to help you prepare
- In certain scenarios they may also offer a free hotel overnight and transport to the hotel
- For complex power cuts, community welfare teams provide on-site support which includes hot drinks, hot meals, a Wi-Fi connection and charge points.

Unfortunately it stopped for a time during Covid, but is now up and running again in a more organised approach. We recognise that there are a number of people living alone in Pulborough and the surrounding villages who, for a variety of reasons, are unable to get out and about and would therefore enjoy a little friendly companionship from time to time. We have a small team of volunteers trained and CRB/DBS checked, to visit people who would welcome a friendly chat as well as to talk through worries and concerns in complete confidence. Volunteers spend an hour or so with one (or more) clients each week. Training and support will be provided. For information of becoming a volunteer, please contact: Lynn Richards, lynn@pdcca.org.uk
